Two Day National Level Workshop on

NEED AND QUALITY IMPROVEMENT THROUGH STATISTICAL TECHNIQUES IN MANAGEMENT RESEARCH

April 22-23, 2016

ORGANIZED BY

Theme of the Workshop

Search for knowledge or any systematic investigation to establish facts is research. In order to search systematically for solutions to problems, for answers to questions and directions to proposals statistical inputs are required for strengthening the outcomes. Statistical tools not only provide a way of summarizing the data into quicker and manageable information, but also help the researcher to make decisions about whether relationships between two or more variables are actually real ones. Hence, quality improvement in management research is now adhering to statistically relevant methods.

This two day workshop is for the researchers with little or no experience of the use of statistical techniques and software that can provide a major boost to their research projects by acquiring the skills and knowledge of these tools. The programme simply aims at developing the pedagogical and research skills incorporated in the participants via interactive sessions, hand in practicals and self learning modes, etc.

Objectives of the Workshop:

- To enable the participants understand the recent trends of statistics and its need in management research
- To create awareness on how future research in management field be qualitatively improved with scientific tools like statistical methods

Topics to be covered:

- Recent trends in Research Methodology
- Acquiring data as per statistical framework
- Data analysis and conclusions based on statistical inputs
- The primary focus will be on survey research with special sessions on Marketing, Human Resources, Finance and Disaster Management areas.

S.R.T.M.University, Nanded

The University has been named after Swami Ramanand Teerth the Doyen of the Hyderabad liberation struggle and also a renowned educationalist and social activist. The University is catering to southern part of Marathwada Region of Maharashtra State and has been reaccredited with 'A' grade by NAAC.

Sub-Centre, Latur

Sub-Centre, Latur of SRTMU was initiated in the academic year 2007-08 by the management of the University to encourage, support and to nourish the students of Latur region in specialized courses after HSC and Graduation. There are 13 courses and 300 students accommodated in school systems here. Apart from conducting specialized courses of higher learning, the Sub-Centre has also become the nodal agency for the affiliated Colleges/Institutions/Research Centres of Latur district in the context of University's administrative and examination related activities.

School of Management Sciences

School of Management Sciences of Sub-Centre, Latur started in year 2007 for nurturing the talent pool in Marathwada region, especially of rural youth in management field. It is a programme designed to prepare candidates to take up managerial positions in technology oriented global enterprises. The CBCS adhered curriculum provides both the technical skills and business acumen to succeed in today's changing world. Providing quality management education to students and helping them secure a rewarding position in the corporate world are the foremost objectives of this school. The school is geared towards creating platform of opportunities that help students in realizing their ambitions. The passion for imparting quality management education coupled with research has produced hard working, efficient industry ready professionals and great team players. The Institute aims at to provide equal opportunities in higher education to students and prepare them to make a meaningful contribution in an increasingly complex global society.
